MEMORANDUM

DATE: January 17, 2014

TO: Councilmember Marti Emerald, Public Safety and Livable Neighborhoods Committee

FROM: Councilmember Scott Sherman

RE: Public Safety and Livable Neighborhoods Priorities for 2014

In response to your January 8, 2014 memorandum, I submit for your consideration the following items as my priorities for the Public Safety and Livable Neighborhoods Committee.

Public Safety

- Receive regular updates regarding retention rates in the San Diego Police Department (SDPD)
- Monitor implementation of the SDPD Five-Year Plan
- Support efforts to develop a Disaster Resiliency Study
- Oversee construction of Mission Valley Fire Station 45

Neighborhoods

- Assess City street light needs
- Receive comprehensive report of Recreational Programs offered to residents
- Restore funding to the Median Maintenance Program
- Conduct an assessment of library hours to fit the needs of individual neighborhoods
- Receive an informational report regarding SDPD's Homeless Outreach Team
- Reach out to small businesses within and outside of BIDs to see what can be improved and if more are needed throughout the City
- Support construction of the Linda Vista Skatepark
